

ANT - 03 / JEEP SAFARI

An adventurous full day-drive through the scenic roads of the Taurus Mountain range, giving you the opportunity of seeing the country from a completely different perspective. This tour will take you through many typical Turkish villages, where you will have the chance to visit a traditional Turkish house, sampling the simplistic village life, and where you will enjoy the warmth and hospitality of the locals. After a long and dusty drive along the winding country roads, a refreshing swim may be more than welcome! This is possible in the cool, clear spring water rivers, which run through the valleys between the mountains. As this trip is bumpy any dusty, it is considered best for those aged 25-40 years, and who are fairly fit.
